ADVENTURING

(Version 1.01) by Keith Bates
K-Type © 2010 - www.k-type.com - keith@k-type.com

Rock-steady and friendly, yet animated and exciting, *Adventuring* evolved from the hand drawn, uppercase title lettering used for the 1950s and 1960s dust jackets of Enid Blyton's Famous Five books.

K-TYPE LICENSE AGREEMENT

FREEBIES (Unlicensed)
K-Type Freebies are free for personal use and do not require a license.
However, Freebies used for Commercial and Entrepreneurial purposes need to be licensed at the same rates as Pay Fonts. Freebie Commercial Licenses, Enterprise Licenses and Custom Fonts are available from keith@k-type.com

COMMERCIAL LICENSE (Normal License)
Purchasing a K-Type font grants you non-exclusive rights to use the font commercially on paper, on film, online and embedded in documents.
The software may be stored on up to five workstations and output devices.
You cannot legally give the font to others or install it on their machines (with the exception of co-workers and your service bureau).
To place any K-Type font within other media will require an additional Enterprise License.

ENTERPRISE LICENSE (Extended License)
For Entrepreneurial use on an unlimited number of workstations and output devices, and where a font file is incorporated into a software product, each K-Type font will require an Enterprise License.

CUSTOM FONTS
Commissioning a K-Type Custom Font grants you sole rights to use the font autonomously, exclusively and indefinitely.

Fonts are supplied "as is". Every effort is made to ensure that the files will behave properly, and whilst mistakes and omissions are corrected cheerfully and quickly, K-Type will not be liable for losses incurred by software failure.

INSTALLING FONTS

Fonts are placed in your operating system's *Fonts* folder and will be made available to all the applications or programs you use.

WINDOWS
Put the font files (.ttf, .otf) into C:\Windows\Fonts, or right-click on the font files > Install
MAC
Put the font files (.otf, Mac Truetype, Mac Postscript) into /Library/Fonts
